

Membership Benefits

AUE Institutional Membership ONLY £600 p.a.

UNLIMITED numbers of qualifying members may join from any member university, including Estates Engineers, Technicians, Apprentices etc.

Annual Conference: Enables members to come together as like-minded individuals to discuss current topics, as well as networking with fellow colleagues, conference guests and key industry suppliers.

Learning and Development: Free CPD Webinars during the year, heavily subsidised CPD training opportunities, training bursaries, mentoring options are provided, regionally and nationally. There are the opportunities to attend technical seminars, general problem solving and broad general networking events.

Discounted BSRIA Membership: (Building Services Research & Information Association) AUE is represented at BSRIA.

Regional Meetings: Meet fellow university engineers, discuss and share issues, CPD opportunities, presentations, factory tours, legislation refreshers etc.

Resources: A knowledge-sharing feature of the website providing free, easy access to technical and reference documents contributed by members. It is the “go to” tool for insight into products and services to help members deliver in their roles, benefiting from members’ experience.

JISCMail /Member Forum: A powerful networking tool used by members to share experiences, seek advice, look for recommendations and avoid re-inventing the wheel! Our members pride themselves on their sharing of best practice.

The National Equipment Defect Reporting Scheme (NEDeRS): An international database enabling service providers and industrial users (UK and Overseas) to share defect information about electrical equipment manufactured worldwide. Available to eligible AUE members at no extra charge.

Executive Committee: Join other members and participate more in the running of the Association

The AUE has over 700 individual members, across 100 institutions, over 8 Regions. It has been supporting all for more than 50 years.

2 Membership Levels (Full & Associate): Just complete the [Application Form](#)
